LANDING PAGE FORM

To set up the landing page, we need to gather **branding** assets so the page reflects your brand image. **Here is our test landing page!**

Password: <mark>testpage</mark>

HEADER: 1

This is where your widget will be placed and will contain the main message you want to pass,. and the name of your brand and your colors.

Offer title	Example: Try a Buddha Bowl on us!
Offer Subtitle	Example: Buy a Buddha Bowl, upload your receipt and receive a full refund!
Header Color	Hex format. Example #ffffff
Header Font Color	Hex format. Example #ffffff
Header Image	Specs suggestion: • Rectangular horizontal image • 890x490 pixel (max)

	You can add a brand image, a creative with text or any brand material you might want to add.

HOW IT WORKS:

How It Works

1. Sign up
Opt-in above to get the rebate info

2. Buy the product
From the participating product(s) and retailers
Find the **nearest store**

3. Upload a receipt
Login to our page and upload your receipt

4. Get your rebate
Get your rebate via PayPal, Venmo or Amazon

This section contains the instructions your consumers will follow to finish the flow and get the rebate. Your brand's image can be displayed on the right side - this is optional.

Image on the right	Please send fila via e-mail.
	Specs suggestion:
	- Rectangular vertical image 455x624 pixel (max)
